Boeing Plant Tour

Saturday 27 10 AM

\$70 pp (10- person minimum, 4.5 hours, **Hotel P/U included**)

Ride in comfort with one of our world class guides from downtown Seattle to the Future of Flight exhibit hall. From there, you will be escorted on an informative tour of the Boeing plant by a professional Boeing tour guide. This is the only public tour of a commercial jet assembly plant in North America. The tours showcase The Boeing Company and its Everett, Washington product line — the 747, 767, 777, and 787/Dreamliner. On the tour, you will walk through the largest building in the world by volume (472,000,000 cubic feet). You'll view airplanes in various stages of assembly, manufacture, and flight test for airline customers around the world.
