

2012 MAHC Annual Conference at Hyatt San Diego

Workshop Description & Biographical Information

Please complete the following sections and return this form to the **MAHC office no later than December 1, 2011**. All of the information provided will be published in our annual conference program book.

Workshop Information

Title: _____

Trainer(s) : _____

Workshop Descriptions

Please provide us with two to three sentences in which you describe the goals and learning objectives for your workshop. Conference attendees will use this information to select the workshops they attend when they arrive at the conference so try to make your description as inviting and attractive as possible.

Workshop Trainer Biographical Information

Please provide your biographical information. **Your bio should be two to three sentences long and no more than 100 words. Due to space constraints, we will edit anything longer. Please do not submit copies of your resume.**

Your biography should include information such as:

- Current position
- Educational background
- Work that you done in fields related to housing cooperatives.
- Special Recognition for housing cooperative related work

To prevent error in producing the conference program, please make sure that all of the information you have submitted is either typed or written in legible handwriting.
