9:00 AM – 10:20 AM	<p><b>Technology Solutions for the Cooperative.</b> <b>Fred Gibbs</b></p> <p>✱</p> <p>The class will explore new and emerging technology for cooperative communities, boards and staff. Tech time focuses on technology on the cheap. I like to refer to it as "Life Below retail". You will learn tech solutions that are affordable and in most cases free. This course will empower the participant and raise his/her confidence level when dealing with technology</p>	Del Fuego
