Comments from the Conference Attendees:

“It was awesome,” The speakers not only knew what they were talking about, but they were very open to questions and engaged with the audience. I was blown away by the amount of knowledge and experience many of the speakers have in Cooperatives.

.....

This information is a necessary avenue for maintaining a healthy view of what is needed to protect both the members and the co-op. This class should be a year-round training. Awesome Class!!!!!!

.....

Covered material and expectations! I had no idea of the range of topics and intensity. This is so important to All-in decision-making roles. Handouts, workshop and visual graphics were of “primo” quality.

.....

This is a well-needed workshop! They covered a lot of ground that could happen – so much more than I expected!
