For 57 years Midwest Association of Housing Cooperatives (MAHC) has served housing cooperatives. MAHC is a 501 C3 nonprofit charitable organization dedicated to assisting members and directors of Housing Cooperatives.

Housing cooperatives provide moderate to low-income families with affordable housing. Housing cooperatives are established to help people with limited income to construct houses at reasonable costs. Since they are owned by their residents, cooperatives offer continuing economic incentives and social opportunities for residents who are interested in controlling their social environment and improving the quality of their lives

Many of the members of limited equity cooperatives are inexperienced both as co-op members and as property owners. Many of these co-ops needed frequent technical assistance after they were organized,

There are many cooperatives that are not able to attend the conference and training classes because they cannot afford it financially.

Would you consider donating to help us achieve our mission?

MAHC provides through its annual conference and local training an opportunity to share experiences on running their coops and attend technical assistance workshops.

While we have made some great strides, MAHC still has a lot to accomplish. We need your support to assist in the cost incurred with providing new and current educational classes, books, and materials.

Education creates hope for the future. Giving people hope that they can improve their lot in life is one of the more powerful effects education has on a society. John F. Kennedy best expressed the power of a good education when he said: *“Let us think of education as the means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation.”* JFK’s words about America apply to every society on Earth.

We'd be happy to thank you publicly by promoting you in our Sponsor Directory in our Conference Book and scroll your name and on the screen during our luncheon slide shows demonstrate how much we appreciate your donation and participation.

If you have any questions, I would be happy to provide you with more information about how you can help support our work at MAHC.

As one of the members that participated at our last conference said.

"It was awesome," said a Co-oper who was attending for the first time. "The speakers not only knew what they were talking about, but they were very open to questions and engaged with the audience, which is different from many other conferences I have attended. I was blown away by the amount of knowledge and experience many of the speakers have in Cooperatives. I learned a lot."
